

# THE FABLEIST

**Year Founded:** 2012

**Region:** California

**Owner/Winemaker:** Andrew Jones

**Fun Fact:** Each bottle has been artfully designed and inspired by one of Aesop's many fables.

**-Organic and/or Sustainable as of 2020/Vegan-**

The Fableist is a project from Field Recordings' Andrew Jones. Andrew spends his days planning and planting vineyards and has stood foot in just about every vineyard on the Central Coast. The Fableist gives special attention to the craft and story behind each wine. Each bottle has been artfully designed and inspired by one of Aesop's many fables. Just as each of his timeless vignettes has a moral, Andrew believes that every blend has its own story to tell, its own lessons to teach. There's something profound about wine; it can inspire, bring loved ones together, fill hearts with warmth. As you enjoy each glass, we hope these stories spark a desire to ponder what really matters in life — and may they encourage you to find the wisdom within yourself.

## 2023 Chardonnay, Central Coast

Inspired by The Bee and Jupiter

**FABLE 163:** A queen bee gave a pot of her honey to Jupiter, who was so delighted that he offered the bee anything she desired. The bee asked for the ability to kill her enemies. Taken aback, Jupiter fulfilled his promise, but said that the bee's sting would come at the cost of her own life.

This fable is a reminder to be careful what you wish for. We started a little Cab project as a college fund for our kids, and it's evolved into much more than we imagined. We're so pleased with what's happened, but we've had to adjust our expectations along the way.

100% Chardonnay from Coquina (organic), Mistral, and The Templeton Reserve vineyards. Aged 6 months in New French oak, 50% neutral oak, 50% stainless. Float back to your youthful summers: Welcome the comforting aromas of bosc pear, fresh ginger and coarse sea salt. Feel this fresh mid palate roll into a bright finish of marjoram and apple blossom. Like us, this wine is young and energetic, but still respects the classics. **Sustainable & Vegan!**

## 2023 Pinot Noir, Santa Barbara County

Inspired by the Silkworm and the Spider

**FABLE 774:** When time spins swiftly and the temptation to rush arises, heed The Fableist’s warning: quick and shoddy work begets little praise, while time spent in pursuit of quality and craftsmanship endures and delights.

100% Pinot Noir hand-selected from Cat Canyon (organic), Kick On and Evenson, Morro View and North Canyon vineyards. As a winery that really wants to embrace a Burgundian expression of Pinot Noir, we embrace vineyard sites with sandy soils. We play with a small amount of whole cluster in our ferments to bring out savory components. This wine receives one punch down or pump over daily to intentionally keep the integrity of the fruit and for a softer extraction. It’s then fermented with native yeast and aged 100% in barrel. 11 months in 5% New French Oak, 95% Neutral. Bold, fresh cranberries and raspberries float on your palate, brought back to earth by gentle nutmeg, clove and just a hint of mushroom. Brings you back to days spent basking in the Central Coast sunlight. **Organic/Sustainable & Vegan!**

## 2023 Cabernet Sauvignon, Paso Robles

Inspired by the Ant and the Cicada

**FABLE 373:** Now accept the gift of the Fableist, which has been toiled and moiled over in an attempt to give both weary ants and shiftless cicadas peace of mind, and a belly full of warmth.

100% Cabernet Sauvignon from Old Koligian, Zepherino, Last Frontier, Old Potrero (organic), Hinterland (organic), Eden Canyon, Templeton Preserve, Space is Fake Ranch. 2023 is potentially the most ideal growing vintage to date for The Fableist Wine Company. We were able to make individual style decisions for each pick knowing we were not going to lose our quintessential freshness. The wine was fermented in tank and aged 100% in barrel. We utilized majority American oak with 12% of that being new. Vibrant black currant, cedar and vanilla hit your tongue, as you’re warmed by the comforts of mint and eucalyptus. Also flavors of cedar, pure cranberry juice, fresh bay leaf and lavender.

**93 Points - '21 James Suckling** - *“Beautiful red fruit and cherries on the nose, together with some chocolate, pencil lead and tea leaves. It’s medium-bodied with fresh acidity and fine-grained tannins. Well-rounded and balanced with a fresh character to it and more chocolate in the focused finish.”*

## 2021 Reserve Cabernet Sauvignon, Paso Robles

Inspired by the Ant and the Cicada

**FABLE 373:** Now accept the gift of the Fableist, which has been toiled and moiled over in an attempt to give both weary ants and shiftless cicadas peace of mind, and a belly full of warmth.

100% Cabernet Sauvignon. 35% Old Potrero (organic), 35% Wine Porch, 30% Last Frontier. Aged in 55% new American oak, 45% neutral oak for 20 months. Everything you love about Cabernet, brought seamlessly together. The wine envelops you with notes of warm clove and Bing cherries. It's complimented by complex cedarwood, red currant, smoked meats and charred poblano. Reflect on the good ol' days with this perfect homage to Paso Cab. **Sustainable!**

**93 Points - James Suckling** - *“Notes of cassis and ripe dark berries with dark spices, pine wood, cigar box and pencil shavings. Medium- to full-bodied, firm and tense. So precise and focused on the polished, linear palate. Structured but fresh, with a spiced finish.”*

## 2023 Tempranillo, Arroyo Grande Valley

Inspired by the Two Travelers and the Axe

**FABLE 067:** Two travelers are walking along a path and come across an axe. One of the travelers says, “I found an axe!” But his partner says, “No, we found an axe.” Soon, the owner of the axe starts pursuing them, and the one who picked up the axe said, “Oh no, we are doomed!” But his companion replied, “No, you are doomed.” This fable is all about us as business partners. Share in the risk, share in the reward — that’s the moral of partnership. You have to take the trying times with the good times; you’re in it together.

100% Tempranillo. We included four Tempranillo vineyard sites in this vintage: Templeton Preserve (Estate), Ing, Evenson and Dead End. We made the pick calls for each site separately based on the taste of the fruit. We look for a balance between ripeness, tannin, and acidity. Once at the winery, we de-stemmed the fruit 100%. The grapes were fermented in stainless steel tanks with native yeast and given one pump-over daily during fermentation. We pressed the grapes and sent the wine to barrels after 3 weeks on the skins, allowing malolactic fermentation to occur naturally. Aged in 15% new American oak, 85% neutral oak. Loaded with blueberries, black currant and dark chocolate. The wine has a velvety mouth feel with a lingering finish that is warm and fulfilling. **Sustainable & Vegan!**
